Proposed Approach

- **ATR-I will be catalyst to expand Idaho's continuum of treatment and recovery support services.**
- **Make more and better services available.**
- **Build on current initiatives – prisoner re-entry, drug courts, child family review.**
- **Expand services to Native American and Hispanic populations.**

Proposed Approach, Cont.

- **Access to Recovery Alliance**
- **Management Services Contractor**
- **Portal to Recovery**
- **Access Advocates**

Proposed Approach, Cont.

- Memorandum of Understanding between State of Idaho and Tribal Nations
- Defined Relationship with Faith-Based Organizations
- Approved Clinical Treatment and Recovery Support Providers.

Access to Recovery Alliance

- Chaired by the First Lady of Idaho.
- Provide guidance to *ATR-I* during its operation.
- Use the 3 years to create a broad coalition to sustain the program.
- Provide a framework for understanding the costs associated with untreated addiction.

Access to Recovery Alliance, Cont.

- Promote an advocacy strategy for promoting cost savings by continuing *ATR-I*.
- The Alliance will reach across the state to draw from Idaho's Tribal Nations, the faith community, the three branches of state government, business and industry, local government, and citizens, including the recovering community.

ATR-I Management Services Contractor

- Promote the use of the system by clients and new providers through marketing and outreach activities.
- Recruit and assist clinical substance abuse treatment and recovery support service providers to be *ATR-I* service providers.

ATR-I MSC, Cont.

- Manage the network of *ATR-I* providers.
- Manage anytime client access to information and referral to *ATR-I* services.

ATR-I MSC, Cont.

- Manage the voucher issuance and payment system; and,
- Manage quality assurance, data collection and reporting, including the use of incentives.

Portal to Recovery

- Rural/Frontier Idaho is provided 24/7 access to ATR-I substance abuse treatment and recovery support service educational & resource information.
- A substance abuse self-screening tool is available 24/7 to anyone who has access to the Web.

Portal to Recovery, Cont.

- ***ATR-I* clients and access advocates have access to a 24/7 *ATR-I* treatment and recovery support services professional network for screening, assessment, treatment and recovery support service referrals.**

Portal to Recovery, Cont.

- ***ATR-I* clients choose the assessment, treatment or recovery support provider from whom they will receive services.**

Access Advocates

- Identified from an extended pool of referral sources.
- Trained to help consumers use the Portal to Recovery.
- Examples include faith community recovery network, community and tribal health clinics, “Any Door” human service centers, court assistance officers, 211, RADAR, Reentry Parole Officers, etc.

MOU with Tribes

- Approve Programs
- Accountability
- Data Collection
- Report Data to *ATR-I* MSC
- Performance

Approved Providers

- **State Approve**
- **Establish Standards for Recovery Support Providers**
- **Performance to stay in network**
- **State staff assist with recruitment and approval**

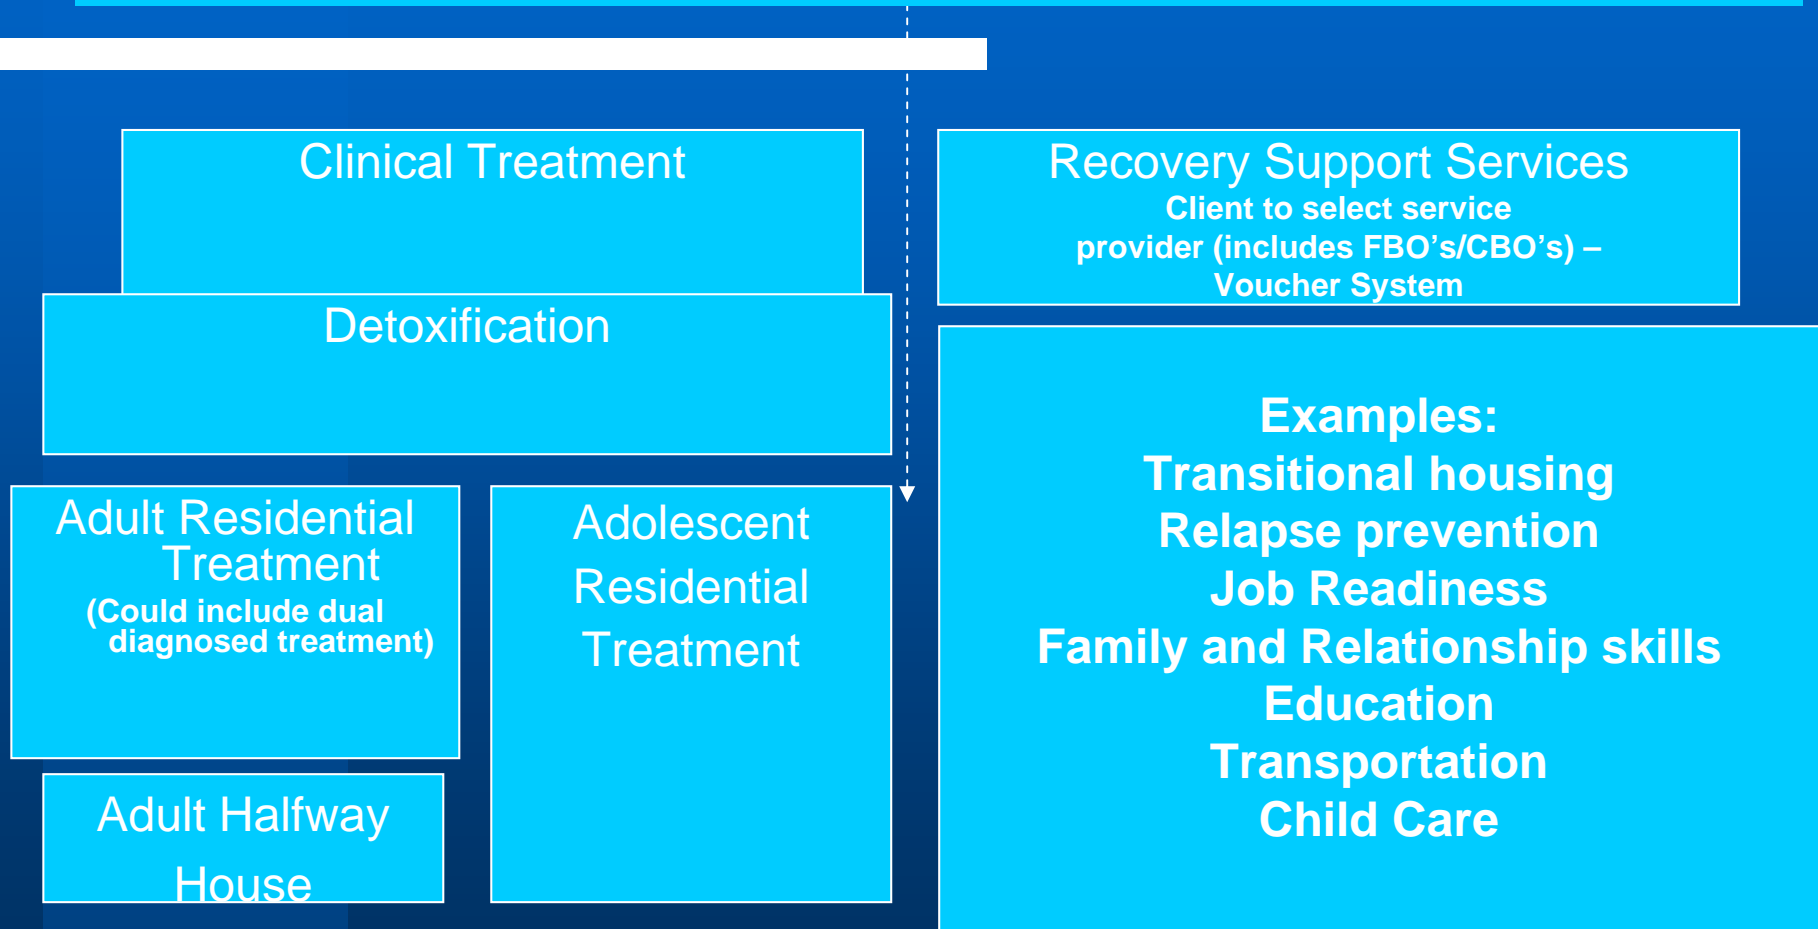

Alliance Tasks

1. Forming the Alliance
2. Distribution of Funds
3. Recovery Support Provider Approval Standards
4. Participant Eligibility Criteria
5. Continuous Quality Improvement
